

Boston Region Metropolitan Planning Organization

## Public Regional Transportation Discussion Sessions

Each year the MPO develops two plans to program the transportation planning studies and projects it will fund for the coming years. These are known as the Unified Planning Work Program (UPWP) and Transportation Improvement Program (TIP).

The MPO is hosting two public discussions to hear your ideas on transportation planning and spending in the Boston region.

### **Please attend and share your views!**

To learn more, visit [www.bostonmpo.org](http://www.bostonmpo.org) or follow us on Twitter [@BostonRegionMPO](https://twitter.com/BostonRegionMPO).

MPO staff will discuss the background, steps, and schedule for developing the next UPWP and TIP documents. We will also gather your ideas about transportation priorities, and explain how your feedback will be used and when there will be additional opportunities for public input.

---

MPO meeting sites are accessible to people with disabilities and are near public transportation. Upon request (preferably two weeks in advance of the meeting), every effort will be made to provide accommodations such as assistive listening devices, materials in accessible formats and in languages other than English, and interpreters of American Sign Language and other languages. Please contact the MPO staff at 617.973.7100 (voice), 617.973.7089 (TTY), 617.973.8855 (fax), or [publicinformation@ctps.org](mailto:publicinformation@ctps.org) (email).
