

Sumner Tunnel Restoration Project Virtual Public Information Meetings

What is happening?

The Massachusetts Department of Transportation is hosting two public information meetings to discuss changes to Phase 2 of the Sumner Tunnel Restoration Project. The previous version of Phase 2 included a full closure of the tunnel beginning in May of 2023 for four consecutive months. Phase 2 will now consist of two separate two-month full closures during the summers of 2023 and 2024.

How will this affect you?

This tunnel restoration project will impact abutters and regional traffic. All residents, abutters, local business owners, and interested commuters are invited to attend. Meeting attendees will have the opportunity to ask questions and offer comments. Both meetings will provide the same information. Holding two meetings is an effort by MassDOT to accommodate everyone’s schedules as best possible. Spanish and Arabic interpretation will be available at the meeting.
