

**FFYs 2021-2025 Transportation Improvement Program (TIP)
Adjustment One**

Project	Proposed Change	Explanation	Section/Funding Source	Overall Changes in Funding in TIP		
				From	To	Difference
<i>FFY 2021 Transit Element</i>						
RTD0009452: MWRTA - Mobility for All Project	Existing Project Carried Forward into Current TIP	Project was originally amended into FFY 2021 through Amendment Seven to the FFYs 2020-24 TIP. This adjustment carries the project forward into FFY 2021 of the FFYs 2021-25 TIP, as the FFYs 2021-25 TIP was already endorsed by the MPO and submitted to FHWA and FTA for approval prior to the endorsement of FFYs 2020-24 TIP Amendment Seven. Funding shown represents same project cost, but will appear as new funds in the FFYs 2021-25 TIP because this project was not originally included in TIP as endorsed. Funded with \$300,000 of FTA Mobility for All grant funds and \$75,000 of State Contract Assistance matching funds. MWRTA will expand access to transportation options for seniors and individuals with disabilities through demand-response services in partnership with Coordinating Council on Access and Mobility agencies in the MetroWest region.	Section 5310: Enhanced Mobility for Seniors and Individuals with Disabilities	\$0	\$375,000	\$375,000
